Cookies and Tracking Technologies

We use cookies and similar tracking technologies to enhance your experience on GPTbot100. These technologies help us understand user behavior, improve functionality, and deliver personalized content.

How We Use Your Information

We use the collected information for the following purposes:

- **Account Management:** To create and manage your account, process transactions, and provide customer support.
- **Service Improvement:** To analyze usage patterns and improve the functionality and user experience of GPTbot100.
- **Security:** To protect against fraud, unauthorized transactions, and other security issues.
- **Compliance:** To comply with legal obligations, regulatory requirements, and industry standards.
- **Marketing:** To send promotional materials, newsletters, and updates about our services, subject to your preferences.

Information Sharing and Disclosure

We do not sell or rent your personal information to third parties. We may share your information with:

- **Service Providers:** Third-party vendors and service providers who perform services on our behalf.
- **Business Partners:** Partners with whom we collaborate to offer additional services or promotions.
- **Legal and Regulatory Authorities:** When required by law or to protect our legal rights.
- **Affiliates:** Entities that are part of our corporate group for operational purposes.

Data Security

We implement industry-standard security measures to protect your information from unauthorized access, disclosure, alteration, or destruction. These measures include encryption, firewalls, and secure socket layer (SSL) technology.

Your Choices

Access and Update

You have the right to access and update your personal information. You can do this by logging into your account or contacting our customer support team.

Opt-Out

You can opt-out of receiving marketing communications from us by following the unsubscribe instructions provided in the emails or by contacting us directly.

Cookies

Most web browsers allow you to control cookies through their settings preferences. However, disabling cookies may affect the functionality of GPTbot100.

Children's Privacy

GPTbot100 is not intended for individuals under the age of 18. We do not knowingly collect personal information from children. If we become aware that a child has provided us with personal information, we will take steps to delete such information.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on our app and updating the "Effective Date" at the top. Your continued use of GPTbot100 after any changes indicates your acceptance of the updated Privacy Policy.
